The Honorable David R. Obey  
Chairman  
House Appropriations Committee  
H-218, The Capitol  
Washington, DC 20515

I am requesting funding for the Institute for Next Generation Energy in Fiscal Year 2010. The entity to receive funding for this project is the University of South Carolina located at 1500 Pendleton St., University of South Carolina, Columbia, SC 29208. The funding will be used to recruit faculty, purchase equipment, and fund fellowships in the areas of fuel cells, hydrogen, solar technologies, biomass refineries and the renewal of the nuclear energy interests. This project would be a good federal investment. I certify that neither I nor my spouse has any financial interest in this project.
