Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Lakes Marion and Moultrie, SC project in fiscal year 2024. The entity to receive funding for this project is the U.S. Army Corps of Engineers. The funding would be used for continuation of the Calhoun Reach, which is a component of the Lake Marion Regional Water Agency (LMRWA). The project is an appropriate use of taxpayer funds because the reach will provide high quality drinking water to the Calhoun County communities of Lone Star, Creston, Town of Cameron, and the Town of St. Matthews.

The project has a federal nexus because the funding provided is for purposes authorized by Section 8375(b)(2)(S) of the Water Resources Development Act of 2022 Act (Public Law 117-263).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

James E. Clyburn  
Member of Congress
