

Congress of the United States  
House of Representatives  
Washington, DC 20515-4006

April 26, 2021

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding in fiscal year 2022 from the Subcommittee on Agriculture, Rural Development, Food and Drug Administration, and Related Agencies, under the Rural Community Facility Grants account, for the following project:

*Proposed Murdaugh Center Project located at 110 West Mill Street*

The entity to receive funding for this project is:

Vital Aging of Williamsburg County, Inc.  
P. O. Box 450  
204 Oak St.  
Kingstree, SC 29556  
SC-06 Congressional District

The funding would be used to build a comprehensive hub senior center, The Murdaugh Center, on 1.25 acres of agency-owned property centrally located in downtown Kingstree at 110 West Mill Street at the corners of Mill and Academy streets.

This project is an appropriate use of taxpayer dollars because it would support new jobs to downtown Kingstree and increase the overall quality of life for Kingstree's senior population. The new facility would also take a presently blighted corner of downtown and replace it with a modern facility that will serve multiple purposes within the community.

I certify that neither I nor my immediate family has any financial interest in this project.

With kindest regards, I am

Sincerely,

James E. Clyburn  
Member of Congress (SC-06)
