

Congress of the United States  
House of Representatives  
Washington, DC 20515-4006

April 27, 2021

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding in fiscal year 2022 from the Subcommittee on Transportation, Housing and Urban Development and Related Agencies, under the Economic Development Initiative account, for the following project:

*South Sumter Demolition*

The entity to receive funding for this project is:

Sumter County Government  
13 E Canal St  
Sumter, SC 29150  
SC-06 Congressional District

The funding would allow for the demolition of two hundred and twenty (220) dilapidated and vacant structures currently located in the South Sumter Community of Sumter, South Carolina, and surrounding neighborhoods.

This project is an appropriate use of taxpayer dollars as it would remove dilapidated structures that are currently not bringing in reasonable revenues through taxes, create opportunities to replace these structures with new homes, promote greater public safety, help to beautify the community, and increase the tax base in the County.

I certify that neither I nor my immediate family has any financial interest in this project.

With kindest regards, I am

Sincerely,

James E. Clyburn  
Member of Congress (SC-06)
