Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Quantum Information Science Hub project in fiscal year 2026. The entity to receive funding for this project is Benedict College, located at 1600 Harden Street, Columbia, SC 29204. Funding would be used for launching the South Carolina Quantum Information Science Hub and is an appropriate use of taxpayer funds because this program will increase participation in the innovation economy in South Carolina.

This project has a Federal nexus for the purpose described in section 272 of title 15, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

With kindest regards, I am

Sincerely,

James E. Clyburn  
Member of Congress
