Dear Chairman Tom Cole and Ranking Member DeLauro:

I am requesting funding for Orangeburg County Water Treatment Plant project in fiscal year 2026. The entity to receive funding for this project is Orangeburg County, located at 1437 Amelia Street, Orangeburg, SC 29115. The funding would be used for the expansion and upgrades to the County's current wastewater plant. The project is an appropriate use of taxpayer funds because this project will increase economic growth and residential growth while providing additional wastewater services to additional underserved communities.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. [Clean Water Projects] OR Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. [Drinking Water Projects].

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

With kindest regards, I am

Sincerely,

James E. Clyburn  
Member of Congress
