Dear Chairman Tom Cole and Ranking Member DeLauro:

I am requesting funding for the College Place Water Main project in Fiscal Year 2027. The entity to receive funding for this project is the City of Columbia, located at 1737 Main Street, Columbia, South Carolina. The funding would be used for water main replacement to enhance resiliency.

The project has a Federal nexus because the funding provided is for purposes authorized in authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

With kindest regards, I am

Sincerely,

James E. Clyburn
