Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Sumter Leawood Lift Station in Fiscal Year 2027. The entity to receive funding for this project is City of Sumter located at 21 N. Main Street, Sumter, South Carolina. Funding would be used for water and wastewater improvements and is an appropriate use of taxpayer funds because this program will allow for safe transport and disposal of the wastewater – protecting the life and health of area residents.

This project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. OR Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

With kindest regards, I am

Sincerely,

James E. Clyburn
Member of Congress
