The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee

Washington, DC 20515

Dear Chairman Tom Cole and Ranking Member DeLauro:

I am requesting funding for the Lakes Marion and Moultrie, SC project in Fiscal Year 2027. The entity to receive funding for this project is the U.S. Army Corps of Engineers Charleston District, located at 69A Hagood Ave, Charleston, SC 29403. The project is an appropriate use of taxpayer funds as it will provide high quality drinking water to the service areas of the Lake Marion Regional Water Agency.

The project has a federal nexus because the funding provided is for purposes authorized by Section 8375(b)(2)(S) of the Water Resources Development Act of 2022 Act (Public Law 117-263).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

James E. Clyburn
Member of Congress
